

Deepen & pass on

We keep the opening, the key workshop and the sending. The rest is lived at home — see the full program (3 h).

Opening — Worship & gathering · 12 min

- Worship (gratitude · contemplation · silence). Ask for the Spirit (P4).
- Gathering: “What came alive in your home worship this week?”

Diagnosis — Express audit · 8 min

- Follow-up questionnaire: worship held? children active? blessing spoken? personal prayer/reading?

Living worship with the children · 30 min

HEART OF THE SESSION

- Take up the S1 card again; the child chooses an element.
- Real rehearsal (15 min): each household leads a real worship.
- Sharing back in 3 questions, then adjust the card.

Going deeper in forgiveness (Option A) · 25 min

- Read Psalm 51:10-12. Write a letter to God.
- Prayer of surrender (60 s of silence). Keep or lay down the letter.

Sending — Stone of Ebenezer · 15 min

- **Anchoring duo · 2 min:** to the person next to you (not your spouse), say the one thing you will do this week. A trio if the number is odd, no one alone.
- Write a word on a pebble. Proclamation in a circle.
- Intergenerational blessing. “Thus far the LORD has helped us.”

To continue at home

The child passes a gesture to a peer (Workshop C).

Total duration ≈ 90 minutes.
